

An RSPCA Inspector has visited and left a card or message. How can I contact him/her?

A number should be provided on the card - this is our 24-hour Cruelty & Advice line 0300 1234 999.

Please call this number and select option one [Inspector left a card or message]. Your call will be answered by one of our telephone team and you will be asked to leave your details so the visiting Inspector can contact you once he/she is free.
